

FOR IMMEDIATE RELEASE

As part of a new partnership between the French company 4Dconcept and AudiSoft Technologies, Frontline Communicator will be integrated in the development of equipments designed for EDF Research Center energy power plants' field maintenance.

**Longueuil (Quebec), September 2008** – The French company 4Dconcept, has entered into a partnership and distribution agreement with AudiSoft Technologies. This partnership combines expertise and specific resources to industrialize a multimodal server for integrated remote assistance, such as, AudiSoft Technologies' Frontline Communicator. 4Dconcept has been selected by the EDF Research Center to participate in the development of individual equipments designed for energy power plants operators by the integration of the Frontline Communicator technology to capitalize and restore dedicated information in complex systems maintenance.

Mrs. Marie Lapalme, President and CEO of AudiSoft Technologies, is delighted of the partnership with the French company 4Dconcept. According to Mrs. Lapalme, Frontline Communicator is the best tool to improve operational processes and is becoming a reference for companies from many sectors.

#### **About Groupe EDF**

The EDF Group, one of the leaders in the energy market in Europe, is an integrated energy company active in all businesses: production, transport, distribution, energy selling and trading. The Group is the leading electricity producer in Europe. In France, it has mainly nuclear and hydraulic production facilities where 95% of the electricity output involves no CO2 emissions. EDF's transport and distribution subsidiaries operate 1,246,000 km of low and medium voltage overhead and underground electricity lines and around 100,000 km of high and very high voltage networks. The Group is involved in supplying energy and services to more than 38 million customers around the world, including more than 28 million in France. The Group generated consolidated sales of € 59.6 billion in 2007, of which 44% in Europe excluding France. EDF is listed on the Paris Stock Exchange and is a member of the CAC 40 index.
